

Gaming Laboratories International (GLI) Celebrates Grand Opening of Professional Services Office in Moncton, New Brunswick

Moncton Location is Company's 21st

LAKEWOOD, N.J. (September 17, 2013) – Gaming Laboratories International (GLI), the world's leading gaming testing laboratory and technical consultancy, formally celebrated the grand opening of its 21st location on September 10 in Moncton, New Brunswick, Canada.

Demand for services from GLI's new Professional Services group has increased steadily, and the new office has quickly grown from three to nine world-leading IT and lottery professionals in less than a year.

GLI President / CEO James Maida said, "We are thrilled to be accelerating forward on a global scale with our new Professional Services division. This newest office underscores our commitment to the gaming industry, where we are continually seeking ways to help regulators, operators and suppliers do business more efficiently, securely and profitably.

"We are grateful to GLI Canada CEO Salim Adatia, Professional Services Director Gregory Doucette, Director of Quality Management Systems Daniel Charlong and the entire Professional Services team for bringing this true risk and project management center of excellence to the place it is today, and we are confident in the team's collective ability to bring these necessary services to the industry in a true world-class manner."

GLI's Professional Services division offers four main channels of world-class services:

- Project management, including project health checks and recovery
- Governance risk and compliance services, such as World Lottery Association (WLA) audits, ISO audits, network risk assessments, and internal audit and enterprise risk management services
- GLI University™ training modules, including ISO standards, WLA standards and responsible gaming
- Technical services, such as functional product testing, source code audits and load and performance testing

GLI's Professional Services office is located at 910 Main Street, Suite 104 in Moncton, New Brunswick, Canada, and the phone number is +1 (506) 855-0215.

For nearly 25 years, Gaming Laboratories International, LLC has been the world leader in providing independent testing, inspection and certification services to the gaming, wagering and lottery industry. GLI also offers independent network and information security assessments to its regulatory, lottery and supplier clients. With 21 locations across Africa, Asia, Australia, the Caribbean, Europe, North America and South America, GLI is the only global organization of its kind to hold U.S. and international accreditations for compliance with ISO/IEC 17025, 17020 and guide 65 standards for technical competence in the gaming, wagering and lottery industries.
